

NOTICE TO CANCEL UPTD RFP 2002 AND
RESCIND INTENT TO AWARD
UMPQUA RIDES DIAL A RIDE CONTRACTS
FOR THE 2021-23 BIENNIUM

Umpqua Public Transportation District has been directed to cancel this procurement RFP 2002 and exercise the clause which states "UPTD has the right to decline to award this contract or any part thereof for any reason."

The compliance observation and prescribed correction states "UPTD must cancel the procurement, revisit the procurement planning wherein it imposes on itself the administrative burden to monitor six separate contracts, revise the scope of services and requirements to be met, and re-advertise the solicitation."

A new Request for Proposals for the Umpqua Rides Dial A Ride Service for the 2021-23 biennium that meets all of the Federal requirements will be released.
